

CARAVONA & BERG, LLC

PROUDLY FIGHTING FOR YOUR RIGHTS!

The law firm of Caravona & Berg is proud to continue to serve as the preferred Personal Injury and Workers' Compensation law firm for USW Local 1104.

Local 1104 members (and their immediate family) have preferred contingency fee rates as follows:

Workers' Compensation (WC) claims – ***never above 30%***;

Personal Injury claims – ***never above 33%***, even if we go to trial;

Attorney fee is subject to even further reduction

All case expenses are advanced by our firm.

All consultations are free, and we can meet clients wherever convenient.

No attorney fee whatsoever, unless we recover for you.

If you or a loved one is injured because of negligence, you deserve an experienced attorney with a track record of success fighting the insurance companies. We have recovered over \$100 Million in compensation for our clients.

For Workers' Compensation claims, many do not know the following:

1. You have the right to see a doctor of your choosing.
2. You are entitled to medical benefits & monetary compensation as an injured worker in the State of Ohio even if the employer is no longer in business.
3. You may be entitled to benefits for claims you had with a former employer.
4. Even if you leave an employer, your claim remains open.

Caravona & Berg welcomes the opportunity to fight for you!
